

# KindeReady Workshops 4 & 5 year-olds

**\*Students must be potty trained and be 4 years old by the start of each session.**

Kinder-Ready workshops magically provide captivating learning games and activities to improve reading readiness and comprehension and number recognition and association, while refining children's fine motor skills in an environment that fosters creativity and promotes self-expression, with the intent of empowering children with an easier transition to kindergarten. Encouraging the love of books and presenting a different theme each week, children delight in playful and engaging activities such as sing-a-longs, interactive lessons through dramatic play, simple science observations and art projects using various mediums that emphasize phonetic association or themes associated with the story of the week.

Storybook Art presents an opportunity for children to be aware of the chosen children's book graphics and illustrations by combining tactile artistic activities that accompany the style of the story's illustrator or the theme of the story. Some of the books were chosen for their particular artistic process and others are chosen for their message and the opportunities of exploration provided for the children.

Please **send a packed lunch** with your child since the children will be eating lunch from 11:30am-Noon to introduce them to the new schedule they will experience upon entering Kindergarten. Meeting Wednesday or Thursday for 3 hours, class size is limited so sign up early.

## Total fee for semester Member \$320 Non-Member \$420

\$25 discount applied to pre-paid 5-month registration. If not paying in advance for the entire semester, first month fee of \$69 (\$89 for non-members) is required at the time of registration. Payment of \$69 (\$89 for non-members) for every month, thereafter, will be charged to credit card on file the Friday before the next session begins. Please note that the museum must be notified by the 15th of the prior month if child is withdrawing from the program. Museum refund policy applies. Please see registration form for policy terms.
